RE: Membership Dues Policy

Effective Immediately, the Board of Directors has consented to the following membership dues policy. All Staff shall refer to the policy below when considering renewals and other membership status.

Membership Dues Payment Policy

1. New Membership: New individual, ESO, or affiliate membership applications with the accompanying payment of dues that are submitted and received on or after July 1st of a calendar year will be considered paid through December 31st of the following year.
2. Individuals have a 60 day grace period to pay dues past their actual expiration date to be considered current with no break in membership status.
3. Individual membership that has expired over 60 days can be reestablished by paying all past dues. However, the membership will be considered as a new start date for calculation for Life Member status.
